Excellence recognised in Statewide winners

A sunny day and scenic surroundings set the mood for the presentation of the State's prestigious HIA WA Housing Awards last week. The awards, which were announced at a lunch at the new State Reception Centre in Kings Park, bring together the winning 2011 entries from the Housing Industry Association's regional and Perth housing awards.

Many of the winners now go into the HIA-CSR National Housing Awards to be announced next year. The coveted WA Home of the Year title went to first-time HIA entry Gage Roads Construction for a custom-built riverside residence.
